and Rs 1,000 in the Shah Lampo Bunder and Improvement Securities respectively. These investments are effected from the Sinking Fund

for 1928-29 the budget of the Municipality for the year

The arrears in the Municipality are as follows.

Taxes on buildings & lands	Rs 7887	
Lighting tax	57-	Vide page 22 of the budget estimate for 1933-34
Shops	723	
Cattle	362	

In this letter Dy No 33 forwarding the Budget estimates of the Municipality the Dy Com has stressed the need for the Municipality making strenuous efforts to collect the entire arrears which are heavy, to increase its resources by the revision of taxes etc and to effect economy in expenditure. As this is apparently not possible unless an executive Officer is appointed as stated in para 4 of the Dy Com's D.O. letter No C 153/32-33 of 22-6-1933

G

Q

The finances of the Municipality are however as Such as to justify the appointment of an executive Officer at an expenditure of Rs 720 per annum, but it is to be hoped that the revenue & arrears & the improvement of the revenue resources of the Municipality by the efforts of the Special Officer will very soon make up for the cost & expenditure

The appointment of the Chief Officer proposed is permissible under Sec 209 of the Town Municipalities Regn 1933 The proposal is to appoint an Officer on Rs 60-4-80 for

Period of one year with Conveyance allowance allowance of Rs 75/ pm In Chamrajpatna Mcy the pay of the Special Officers fixed at Rs 60/ pm with a conveyance allce of Rs 25 As the period of the proposed appointment is only one year there is perhaps no need to sanction the grad of Rs 60-4-80 & it would suffice to fix the Officer's pay at Rs 60/ pm Regarding the Conveyance allowance, it is for consideration if the amount proposed is not large though it is done on the analogy of Chamrajpatna Mcy In view of the slender finances of the Municipality it might be enough, for the present at least to give a cycle allowance of Rs 5/ pm In a small place like Doddaballapur no other form of conveyance seems necessary

MR K V ANANTARAMAN,
DEPUTY COMMISSIONER

BANGALORE
Dated the 6th May 1933

Dear Sir,

I received information about the last week of April that at a meeting of the Dodballapur Municipal Council some Municipal Councillors brought forward certain serious charges of maladministration against the President and the Vice President and insisted upon their resignation The matter appears to have been considered at two meetings of the Council

2 On receipt of this information I asked the Amildar of Dodballapur confidentially to let me have a report as to what the actual facts were I enclose herein a copy of the report submitted by the Amildar The President of the Dodballapur Municipal Council Lokasevaniratha Mr D Kongadappa has not made any report to me in this matter I have asked him formally for a report and shall submit a copy thereof to Government as soon as the same is received by me

3 I enclose herein a copy of the resolution passed at the meeting of the Dodballapur Municipal Council held on 30-4-1933 It will be seen therefrom that the President and the Vice President have been allowed to continue and that the motion asking for their resignation has not been pressed on their agreeing to the constitution of a Managing Committee to supervise the work of the President and the Vice President The supervision of specific items of work has been given to particular members of the Managing Committee

4 When I visited Dodballapur on the 2nd instant I had an informal discussion of the matter with the members of the Municipal Council There appears to be a general feeling in the Town that the affairs of the Municipality are being grossly mismanaged and that probably there is leakage both in the collection of Revenue and in the expenditure of public moneys Several Members spoke to me about this matter including Mr. Amavase Srikantappa who is a very respectable man and friend of the President The proper course

course for the President and the Vice President would [illegible] to get the charges formally stated and to offer their explanation. Instead of doing this the President and the Vice President merely repeat that they should be allowed to continue during the rest of their term and that their work may be subjected to scrutiny by the Members of the Managing Committee of the Municipal Council. Such a decision leaves the matter in a very suspicious state. I have asked the Members who brought forward the charges viz., Messrs T Siddappa and T Siddalingaiya to put down their charges in writing. I shall have these charges enquired into and submit a report to Government separately.

5 The position of this Municipality is one which require very careful attention. The Municipality stands committed to a very heavy expenditure on account of water supply, the electrification of the Town and the Municipal High School. Unless the revenue due to the Municipality is properly collected and waste is prevented under expenditure, the Municipality will soon find itself unable to pay its liabilities. I shall further enquire into the matter after hearing from Messrs. Siddappa and Siddalingaiya and after obtaining the report which I have called for from the President. In the meantime I am reporting this to you for the information of Government.

Yours sincerely,

Iravan Tarawan

H V Ramaswami, Esq., M.A., B.L.,
General Secretary to the Government of Mysore,
BANGALORE.

Copy of report dated the 22nd April 1933, from the - Amildar, Dodballapur Taluk, to the Deputy Commissioner, Bangalore District.

I beg to submit that I attended this morning's Municipal meeting and noticed that almost all the members including the official members were present To begin with, the Council passed, after some discussion necessary resolutions relating to the Town Hall and water works

2 Thereafter the discussion turned on the question of - requesting the President to resign Messrs T Siddappa, Siddalingaiya, Cheluviah, Shankarappa participated in the discussion while others present now and then offered their suggestions The Vice - President who was present at the time when the water works resolution was passed absented himself later on

3 The nature of the allegations were that 1) the realisations on the octroi side specially were very poor and that receipts and expenditure are not properly accounted for, 2) that the office and the menial staff complained that their pay was not disbursed - properly and fully even though they were required to sign for full amounts, (3) that certain works executed with the help of the - Municipal staff were being billed for and that cheques were drawn, (4) that resolutions passed by the Council with a view to overcome certain irregularities were not given effect to, and (5) that there is no deciplinary control over the subordinate staff

4. The President did not answer any of the allegations but informed the Council that he has absolutely no objection to agree to any terms by which the work of the Municipality would be carried on smoothly; only he should be allowed to remain in office till the expiry of the extended term

5. Messrs Siddappa and Siddalingiah pressed that the - President should resign while certain others sympathised with him, stating that he may be allowed to remain in Office till the term expired. But their sympathies seemed to show that they were not - willing to press for his resignation at a time hen the term of the present Council was almost at an end.

6. Finally the President agreed that if he is given some

some time to think, he would inform the Council about his decisi' Thereupon the next meeting was arranged to be held on 30-4-1933

7 Nothing regarding the allegations was recorded even - though some members pressed for it It was also ascertained that even at the last meeting, nothing was recorded about the allegations and that the same members who were prominent today, took part in the discussions and almost on the same points.

8. I have herein enclosed a list of the members who were present at today's meeting for favour of kind perusal

SIR,

Subject —

I have the honour to enclose herein for the information of Government a copy of my order No C2 4986/32 33 Dated the 14th June 1933 issued under Section 174 of the Mysore Municipal Regulation suspending the resolution passed at the Dodballapur Municipal - Council Meeting held on 30-4-1933, regarding the formation of a Special Managing Committee to supervise and manage the affairs of the Municipality.

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District

SRD/20-6-33.

No. e2 4986/32-33.

Office of the Deputy Commissioner,
Bangalore District,
Bangalore, dated the 14th J u n e 1933.

ORDER UNDER SECTION 174 OF THE MYSORE MUNICIPAL REGULATION.

I have perused the proceedings of the Municipal Council of Dodballapur held on 30-4-1933 which were received with the - President's report No. 892 dated the 10th May 1933.

2. The meeting in question was held at the request of certain members of the Municipal Council who alleged that the - Municipal President and the Vice President were mismanaging the affairs of the Municipality, that they should be called upon to resign their Offices and that if they failed to do so further action should be taken against them. After discussing the matter, the Municipal Council resolved that the President and the Vice President might be allowed to continue in Office subject to the creation of a Managing Committee to supervise and manage the affairs of the Municipality, the President and the Vice President merely carrying out the decisions arrived at by the said Managing Committee. Individual members of the Managing Committee were allotted the supervision and control of particular branches of work such as, the collection of Mohatarfa, the supervision of the establishment etc.

3. From a perusal of the proceedings of the meeting as well as from enquiries made by me at Dodballapur, I find that the President and the Vice President have not taken up a definite attitude in respect of the charges made against them. The charges of mismanagement are very serious but the President and the Vice President have not taken a definite stand about them. They will not deny the charges and court an enquiry. They are only anxious to be allowed to be continued in Office with a view to save their reputation. With this view they agreed to the constitution of a Managing Committee as described above.

4. I consider that this delegation of powers is illegal. Under Section 24 of the Mysore Municipal Regulation it is the -

the obligatory duty of the President of a Munic[illegible] watch over the financial and executive administration of Municipal Council and to exercise supervision and control over the acts and proceedings of all officers and servants of the Municipal Council in matters of executive administration of the Municipal Council. The main responsibility for the proper management of the Municipal Council is thus that of the President and he cannot, neither can he be permitted to, transfer it to individual members as suggested by the resolution under reference. It does not appear that by-laws have been passed by the Municipality for the conduct of work of Managing Committees. A Managing Committee appears to have been constituted two years ago but it did not do any work. Delegation of powers to individuals is governed by Section 37 of the Mysore Municipal Regulation and a member of a Managing Committee is not a person to whom executive powers can be delegated. The resolution under reference amounts to the delegation of almost all powers by the President to certain individual members of the Municipal Council.

5. The proposed transfer of powers to individual members being opposed to law, I hereby order, in virtue of the powers vested in me under Section 174 of the Mysore Municipal Regulation that the resolution in question should be suspended and that it should not be given effect to. A copy of this order will be furnished to the President of the Dodballapur Municipal Council for the information of the Municipal Council and another copy will be submitted to Government.

Dear Sir,

In continuation of my D.O letter No C C 193/32-33 dated the 7th May 1933, I ~~beg~~ write to state that Messrs T Siddalingaiya and T, Siddappa have not yet complied with my request that they should put down in writing their charges against the Municipal - President and the Vice President I enclose herein a copy of letter from Mr T Siddalingaiya Mr Siddappa has not replied to my reference at all It is clear that the President and the Vice - President have brought some influence to bear upon these gentlemen and consequently the latter are unwilling to press the matter These gentlemen have not withdrawn the charges that they made In this connection I beg to state that the Municipal Council decided on the formation of a special Managing Committee with specific responsibilities and powers attached to individual members thereof as regards the management of Municipal affairs Messrs Siddappa and Siddalingaiya appear to be unwilling to press their charges in view of the practical deprivation of pwers, to which the President and the Vice President have consented I am sending to Government - separately a copy of my order suspending the resolution of the - Municipal Council deciding on the formation of the Special Managing Committee

2 As stated in para 2 of my previous letter dated the 7th May 1933, I am herewith sending a copy of report received from the President He merely states that Messrs T Siddalingaiya and T Siddappa urged both himself and the Vice President to resign from their Offices It is not stated why The President adds that - after some advice was given to them by the Amildar and others interested in the Municipal affairs, they agreed to his and the Vice President continuing in Office till the expiry of the present term The Council agreed to this This is a very innocent and euphemistic description of the facts I invite a comparison of the President's report with that of the Amildar

3 I enclose herein for the information of Government a

(Encl (Notes)) a copy of my Notes of inspection of this Municipality Its - financial position is very unsatisfactory The Municipality is actually - literally - living from hand to mouth When I visited Dodballapur early in the first week, I found that the Comptroller had ordered the Treasury to adjust certain amounts due to Government on account of contributions After this order was given effect to, the Municipality has been left with no balance at its credit In consequence of this, certain cheques issued by the Municipality have had to be dis-honoured

4 The affairs of this Municipality are going from bad to to worse Any improvement in this condition appears to be impossible unless an executive Officer is appointed for this Municipality The Municipal President is no doubt a good and enthusiastic man but good intentions are no substitute for correct and wise action He is neither businesslike nor watchful of the interests of the Municipality nor able to manage the administration of the Municipality He cannot enforce discipline over his subordinates or get them to carry out his orders in the Town It is therefore absolutely necessary to appoint a Chief Officer to this Municipality An Officer on - Rs 60-4-80 may be appointed as in the case of Chennapatna Municipality I have called upon the Municipal President to convene a special meeting of the Municipal Council to obtain their views regarding the appointment of a Chief Officer As soon as I receive the resolution of the Municipal Council, I shall submit the proposal to Government for sanction

Yours sincerely,

I must begin with an apology I am painfully conscious of the default. Hope Dr. D.S.Puttanna has met you and explained the rather delicate situation. Yet I am not exonerated from my duty. But I will explain to you in person as I owe it to you, if I am not to be put down by you for a mere agitator I will take the earliest chance. Hope I will not fail to convince you.

Meanwhile, request you to keep your judgment of me in suspense

SIR,

Subject —
